MONTINA

Built to last

PRODUCT OVERVIEW 2026

Stainless Steel Sink

- Montina stainless steel is crafted with premium quality 304 series, 18/10 chrome-nickel content. Premium quality steel Makes sinks Highly resistant to staining, rust and corrosion.
- Stainless steel has a non-porous surface which prevents dirt, bacteria and microorganisms from accumulating.It has a natural resistance to common household acids, marks and stains so your sink is easy to clean and care.
- Rounded or tight corners,different bowl depths, unique shapes, and configurations.Discover them all with a variety of design options.

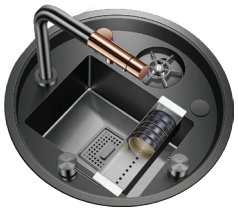

- Montina offers sinks in brushed or satin finishes which give a more matt sheen.
